Welcome to Purses For A Purpose, Inc.!

Hello,

We want to welcome you to our passionate team of volunteers who are dedicated to spreading awareness of and combating the nationwide homelessness crisis. Purses For A Purpose was officially incorporated with the IRS in 2021 with the mission of providing essential resources to and empowering homeless and housing insecure women and girls.

Purses For A Purpose, Inc. collects toiletries and mid-conditioned, mid-sized purses. We partner with local non profits, homeless shelters, domestic violence shelters, and refugee centers to distribute these donations to homeless and housing insecure women and girls nationally and internationally. Your commitment to opening your city's branch will benefit women to access necessary hygiene products while owning fashionable accessories, reminding donors of the daily luxuries.

*This packet details the expectations of serving as a **chapter coordinator**. Your commitment will benefit the women and girls who receive these essential donations and get to choose unique purses that remind them of their value in society.*

"Never worry about numbers. Help one person at a time and always start with the person nearest you." - Mother Teresa

*Sincerely,
Shayna Rutman
Founder/CEO*

Events

Types of Events

Purses For A Purpose, Inc. relies on monetary and physical donations from the public. With those donations, we want to distribute them safely and organized which is why I recommend connecting with a local homeless outreach organization to assist with distribution events.

Collection Drive

Host a donation drive however you see fit, whether that be at home or at a local park or church. Spread the word on your socials and through friends/family/school that you are collecting travel-sized toiletries and purses to distribute to homeless women within your community! We have templates for flyers and business cards at your disposal.

Packing Party

A packing party is the packing of the donated travel-sized toiletries inside the donated purses. Make it fun by recruiting members from the community to help out!

Distribution Day

By far my favorite part of the organization is distributing the purses. Depending on what organization you are partnering with, they may have rules to adhere to in terms of ability to be physically present. However, you will want to spread the word as much as you can on social media about your distribution event. Depending on the organization, you will be interacting with several community members, so please represent the organization with pride and respect when engaging with the people we serve.

Collection Drive Logistics

In this section, you will find information on how to host a collection drive. The board of directors and officers will assist you in promoting the organization's mission. Use this section as your blueprint, but feel free to tailor your drive to meet the needs of your community.

Use this section as your blueprint, but feel free to tailor your drive to meet the needs of your community.

- a. Find a date to host a packing party (can be located at your home, a park, a community center, business).
- b. Promote the drive on social media (Facebook, Instagram, LinkedIn!)

REMINDERS!

You are looking for purse donations that are mid-sized, arm-deep and well-conditioned. Your target donation audience is women between 30-50 who usually have a lot of extra purses, however, you should still reach out to younger people and network with your relatives for donations.

You also need to collect travel-sized toiletries. Check out our [Amazon wish list](#) for examples of what to look for, such as:

- organic female hygiene products (pads, tampons)
- cleansing products (shampoos, conditioner, soap, body wash)
- grooming products, however, never add anything dangerous or sharp (like metal nail filers or razors)
- self-care items
- gift cards

If you are in school, reach out to greek life, community members, or school affiliated clubs for assistance with hosting donation drives and packing parties.

What Is Required of You As a Branch

- Keep in close communication with the board/officers
- Build a network of volunteers who will want to help you (it makes the organizing and packing so much faster, trust me)
- Fundraising is important. Please be aware that 50% of the funds you raise must be donated to the national organization. We will provide you with more information.
- Utilize our google drive resources! We have templates for donation receipts, fundraising letters, donation requests, thank you letters, etc.
- Initiate contact with local media for publicity.
- Look for articles in your local media concerning the local homeless crisis to inform the local community as well as building a list of resources for the homeless population to have access to.

Social Media

This section of the welcome packet discusses the details of managing your Purses For A Purpose, Inc. social media channels, which include Instagram, Facebook, and LinkedIn pages. Media outreach and digital marketing are important to get our message across to raise awareness about the evergrowing homeless crisis and its disproportionate impact on women. This section will outline step-by-step procedures on what types of content to focus on, how to grow engagement on social media platforms, and how to ensure Purses For A Purpose, Inc. maximizes its use of social media platforms.

General Rules & Regulations

Purses For A Purpose, Inc. encourages a variety of content creation but also follows a certain set of guidelines to make sure no harmful or hurtful content is produced. I want to emphasize the importance of respect to everyone, meaning we will not condone any sort of bullying or hate speech within its content, including racist, homophobic, sexist, or offensive remarks, along with any other posts or graphics that may encourage harassment.

Additionally, Purses For A Purpose, Inc. does not allow for copyright infringement or intellectual property violation: statistics, studies, or external media must be cited or referenced within a post, for instance. Additionally, members may not promote false, misleading, or fraudulent information on social media platforms.

Content Creation & Posting Recommendations

Other than the rules and regulations discussed above, Purses For A Purpose Inc. encourages branches to create any social media post related to women and homelessness.

1. Remember we are a non-partisan organization – all posts should reflect that.
2. Remember we are also a not-for-profit organization – all posts should reflect that as well, so we stay in compliance with IRS rules and regulations.
3. Posts created for Instagram should follow a general aesthetic theme that is similar to existing graphics. Include the use of colors in the shades of purple and pink.
4. Regarding content, members can choose from any topic as long as it is relevant to the mission and goals of Purses For A Purpose, Inc. All distribution events should be advertised with ample time on social media.

Content Creation Ideas

Purses For A Purpose, Inc. emphasizes freedom of respectful expression. However, please stay focused on the mission and goals we are trying to promote! Shayna Rutman will be able to create content for your social media! Feel free to brainstorm themes and ideas that you would like to be posted about—this can include your own interests, relevant news, statistics that you learned in classes, or an ‘advertising’ post for Purses For A Purpose.

Budgeting

Budgeting

The CFO, temporarily Shayna, will manage the finances. At the end of every month, she will email you requesting monthly inventory, so please stay on top of tracking your branch's inventory & expenses every month!
